

**City of Devine  
Press Release**

**Presentation of the Downtown District & East Hondo Avenue  
To Interstate 35 Vision Plan**

The City of Devine has been working with the Center for Urban and Regional Planning Research at the University of Texas at San Antonio and the Rural Business Program at UTSA to prepare a vision plan for the Downtown District and East Hondo Avenue to Interstate Highway 35. The vision plan is designed to guide the future actions of our community. The UTSA team along with City Staff will be holding a public meeting to present the Vision Plan for the Downtown District and East Hondo Avenue.

The first public input meeting was held on November 10, 2016 and residents provided input that was incorporated into the plan. This final presentation meeting will be held on March 30th at 6:00 p.m. at the Community Center (East Hondo Avenue). The City encourages residents to attend this meeting so that we can acquire as much feedback from the community as possible; so your voice can be heard.

The City Staff value your input and look forward to hearing from you at the public meeting.
