School is back in session!

We hope all students had a great summer and wish all students best of luck this school year 2017-2018.

We want to remind our Devine citizens to slow down in the school zones. There are many children who walk before and after school. Buses will be on the road picking up and dropping off students. Keep your distance and remember to stop at all crosswalks. By being attentive and driving safely, we can play an important role in our bright future!

Thank you!
