### Water Leaks

- Check all toilets, faucets, shower heads, plumbing underneath sink, water heater and faucets outside home for leakage. A small drop can waste over 3,600 gallons a month. See table below.
- Customers are strongly recommended to install a gate valve on their side to turn off if they have a water leak.
- In the case of a water leak, report immediately to our City Office at 830-663-2804.
- Home indoor water saving kits are available at City Office. Every drop counts.

This year, the Driscoll Public Library is hosting a Read across America Day Reading Challenge! Between February 1st and March 2nd, stop by the library to pick up a Read across America Reading Log. Mark your time spent reading, and when you have completed 10 hours, return it to the library. All completed logs must be in by 5:30 p.m. on March 2nd.

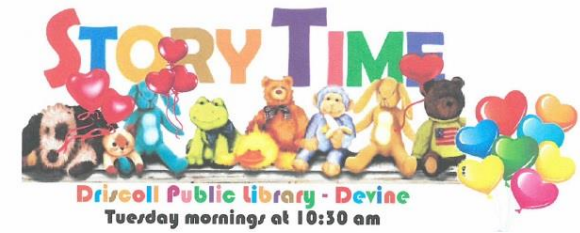

GED classes have begun. Classes will be on Mondays, Tuesdays & Wednesdays from 6 p.m. to 9 p.m.
