Public Works

Signs

Have you noticed the street signs lately? Public Works has implemented a new street sign and stop sign program. Public Works have been hard at work replacing worn out street signs with in-house made street signs. They have been printing the name of the streets and vinyl wrapping the old signs to make them new.

If you are aware of a missing, stolen, damaged or vandalized street or stop sign, please call City Hall at 830-663-2804 to report it.

Making Devine beautiful one sign at a time!
